PROFESSIONAL SUMMARY

Frontend-focused Developer with strong proficiency in JavaScript (ES6+) and React.js, experienced in building responsive, scalable, and performance-optimized single-page web applications. Skilled in debugging, REST API integration, state management, and modern UI frameworks through hands-on, project-based development.

EXPERIENCE

Frontend Developer Intern — Dice Academy, New Delhi

Jan 2025 – Jun 2025

- Developed production-ready, responsive single-page applications using React.js, JavaScript (ES6+), and Tailwind CSS.
 - Optimized UI components and fixed frontend bugs, improving performance and cross-browser compatibility.
 - Integrated REST APIs and collaborated using Git and GitHub version control.
 - Solved 300+ output-based coding challenges, strengthening debugging and problem-solving skills.
-

PROJECTS

YouTube Clone – React.js Video Streaming Application

- Built a responsive YouTube-like video streaming web application using modern frontend technologies.
 - Implemented video listing, video playback, search functionality, and dynamic UI updates.
 - Applied responsive design principles for mobile and desktop compatibility.
 - Focused on performance optimization and smooth user experience.
- Live Demo:** <https://youtube-clone-gold-seven.vercel.app/>

AI Chatbot – Gemini API Based Application

- Developed an AI-powered chatbot using Google Gemini API to generate intelligent and context-aware responses.
- Implemented real-time user interaction with a clean and responsive chat interface.
- Integrated APIs securely using environment variables.
- Enhanced user experience with message history handling and error management.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap, Framer Motion, Shadcn UI, SASS, Redux, Zustand

Backend: Node.js, Express.js, Fastify, MongoDB

Tools: Git, GitHub, VS Code, Chrome DevTools

EDUCATION

Bachelor of Computer Applications (Pursuing) — Indira Gandhi National Open University (IGNOU)

High School — CBSE Board, Delhi
